

For Debtors

Published on District of Utah (<https://www.utb.uscourts.gov>)

Welcome to the Debtors section of the Court's website. Here you will find information pertinent to you and your business with the Court.

You are a Debtor if...

- You are a person or organization that has borrowed money from another party
- You cannot repay the money owed by the time it is due and have filed bankruptcy.

Bankruptcy has long term financial and legal consequences, and hiring a competent attorney is strongly recommended.
